

THE SAME QUALITY AND FEATURES FOUND IN LARGER GUN SAFES, ALL IN A PACKAGE THAT FITS UNDER YOUR BED OR IN YOUR CLOSET OR SUV.

FEATURE	BENEFIT
14 gauge Steel Construction with 1/2" Thick Drawer Front	Providing ultimate security against break in
Safe Dimensions 50"W x 18.9"D x 6.5"H	Maximum drawer size affords more space for your guns and valuables
Interior Lighting	Quick and easy to locate contents and remove guns in low-light or no-light situations
Sliding Drawer	Discreet and quick access to safe contents. Unique access design making it easy to install under the bed
200 Lb. Heavy Duty Bottom Mount Slides	Smooth drawer action with a loaded drawer
Biometric and Combination Keypad Lock	Provides the convenience of electronics and the security and reliability of a mechanical lock. Also offers quick access, multiple user capability, and the ability to change the combination at any time (mechanical locks require a locksmith to change the combination)
Four 3/4" Stainless Steel Extendable Locking Pins and Electronic Rotary Latch	Multiple pins make the safe hard to defeat
Felt Lined Drawer with 1/2" Bottom Foam Pad and 1/4" Side and Back Padding	Protects guns and valuables
Weight 185 Lbs.	Weighty enough to prove difficult to move by one person - yet lightweight enough to provide versatility in placement within the home
Steel Reinforcement Bars in Top, Bottom, and Rear	Allows for secure stacking of safes on top of each other as well as providing proper balance of the safe when drawer is open or closed
Hardened Drill Plate Security	Enhanced resistance against break in
Completely Seam Welded	Provides the greatest protection (Unlike spot welds and stitch welds that are vulnerable to attack)
Limited Lifetime Warranty On Safe Body	Peace of mind against structural faults and weaknesses
